Holiday Gatherings

The holidays are a wonderful opportunity to gather together and celebrate our blessings. All of us at La Porte City Telephone wish you and your family a happy and healthy season.

Mitten Tree Program

La Porte City Telephone Company is kicking off the first annual "Mitten Tree Program" during the upcoming holiday season. The purpose of the "Mitten Tree Program" is to collect new or handmade hats, gloves, mittens and scarves for individuals within our community who are in need. This is an opportunity for individuals, families, groups and businesses to support this local program and help a child/children, adults and/or seniors to stay warm during the winter months. The proceeds will go to families of Black Hawk and Benton counties.

Collection of new winter gear is underway now through December 31, 2009. Donations can be dropped off or mailed to:
